Communities participating to make America safer. Residents are encouraged to play a role in homeland security through personal responsibility, training, and volunteer service.

Provides citizens with training in basic emergency response skills such as fire suppression, light search and rescue, and much more.

Promotes the use of citizen advocates to enhance the capacity of fire and rescue departments.

Enhancing public safety through citizens involvement.

The District 3-3 (Clayton), Public Health Volunteer Initiative Program is a community-based program and functions as a way to locally organize and utilize volunteers who want to donate their time and expertise to assist public health in preparing for, and responding to emergencies and disasters.

Strengthens communities by helping medical, public health, and other volunteers offer their expertise throughout the year as well as during local emergencies and other times of community need.

Empowers residents to become active in homeland security through Neighborhood Watch groups.
