

# DISTRICT 3-3 OFFICE OF EMERGENCY PREPAREDNESS & RESPONSE PUBLIC HEALTH VOLUNTEER INITIATIVE (PHVIP) ORIENTATION 2017

Emergencies and disasters that affect the health and welfare of the public may quickly overwhelm the ability of Clayton Public Health District 3-3 to meet the needs of the public. Thus, volunteers are necessary to supplement the local public health response to, and recovery from, emergency disasters.

The Clayton County Public Health District, PHVIP Orientation consists of a 4.5 hour course to include administrative procedures. The course is part of the process for citizens, and medical and non-medical professionals to become members of District 3-3 PHVIP volunteer Unit.

**WHO MAY ATTEND:** Any citizen 18 years and older whose PHVIP application has met the approval process; medical and non-medical professionals; and retired military.

**COURSE DATES:**

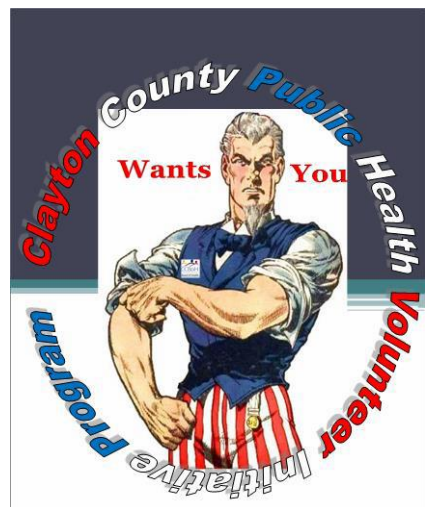

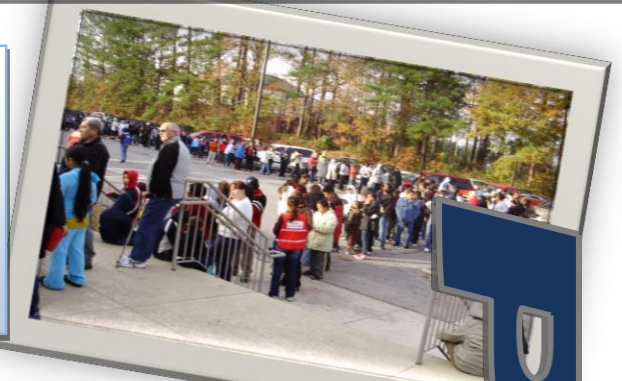

- MARCH 18, 2017
