

REAL TALK

Support Group

*Real Talk is geared toward men and women living positively through high barriers and other unforeseen life struggles. We share common real-life stories, goals, milestones and build opportunities by networking with other support group members. Our mission is to continue the effort of maintaining viral suppression amongst our members. We facilitate every 2nd Thursday of the month, at the CCBOH in the **GLASS ROOM**.*

Clayton County Board of Health
1117 Battle Creek Road
Jonesboro, Georgia 30236
