

Woman2Woman Support Group

Woman2Woman is a monthly support group for all women affected by HIV in the community. It is a chance make friends and share issues, concerns, and ideas that shape us as women.

Woman2Woman is held every second Tuesday; focusing on a new topic each month. Topics include healthy relationships, health and beauty, self-care, and more. We meet in the Glass Room at Clayton County Board of Health. Hope to see you there! For more info please contact Sonia Aghimien.
