## **Clayton County Board of Health Tourist Court Regulations**

### **Section -.11 Insect and Rodent Control. Amended.**

- (1) Effective measures, approved by the health authority, intended to eliminate the presence of rodents and flies, roaches and other insects on the premises shall be utilized. The premises shall be kept in such condition as to prevent the harborage or feeding of insects or rodents.
- (2) Openings to the outside shall be effectively protected against the entrance of rodents and shall be protected against the entrance of insects by tight-fitting doors, closed windows, screening, controlled air currents or other means. Screen doors shall be self-closing and screens for windows, doors, skylights, transoms and other openings to the outside shall be tight-fitting and free of breaks. Screening materials shall not be less than sixteen mesh to the inch. Screen doors for sliding patio doors will not be required to be self closing except in food service, preparation and utensil washing areas of permitted food service establishment kitchens and bed and breakfast inns.
