

# **Clayton County Environmental Health Tourist Accommodations Program**

## **Clayton County Board of Health Tourist Court Regulations**

### **Section -.06 Toilet Facilities. Amended.**

- (1) Toilet, lavatory and bathing facilities shall be provided at all tourist accommodations except as provided in paragraphs (9) and (12) of this section. Such facilities shall be easily accessible, convenient and available to patrons at all times.
- (2) Bedrooms in permanent structures shall be provided with private or connecting baths except, however, central toilet facilities may be used to serve bed and breakfast inns and existing multi-storied tourist accommodations provided toilet facilities are within the building, located on each floor and adequate by determination of the health authority, to serve the tourists therein.
- (3) Toilet rooms and fixtures shall be kept clean and in good repair. Walls and ceilings shall be constructed of easily cleanable materials and shall be kept clean and in good repair.
- (4) Toilet, lavatory and bathing facilities shall be ventilated. Where ventilation ducts are used, ducts from toilet rooms shall not be connected into return ventilation ducts to any other room.
- (5) Toilet rooms, lavatories and bathing facilities shall be provided with soap, artificial light and hot and cold water under pressure.
- (6) Unused, individually wrapped soap or liquid soap dispensed from approved containers shall be provided in guestrooms. Soap furnished in public wash rooms or baths shall be dispensed from approved containers in such a manner that contamination of the contents by individual contact is impossible.
- (7) Individual towels shall be provided in guestrooms and shall have been laundered, since last used, by a method by the health authority used. If fabric bath mats are provided, they shall have been laundered or cleaned since last used. Towels, whenever provided in the public wash rooms or baths, shall be individual towels and if cloth, shall have been laundered since last used.
- (8) Toilet tissue shall be provided in a dispenser at each toilet.
- (9) Where dependent trailers are located, central toilet facilities shall be provided for each ten trailer spaces or fraction thereof, and for each ten dwelling units of non-permanent structure, or fraction thereof, with not less than one commode, one lavatory and one tub or shower head for each sex. In addition, at least one urinal shall be provided in each central toilet designated for men. It is not required for independent trailer sites to have access to central toilet facilities.

- (10) Central toilets shall be plainly marked, separate for each sex, lighted at night and located within 200 feet of the dwelling units or trailer spaces served.
- (11) Anti-slip tubs, slip strips, appliqués or slip-proof mats shall be provided in each bathing facility and shall be kept clean and in good repair.
- (12) Remote, primitive or wilderness campsites may not be required to provide toilet facilities in accordance with this rule, at the discretion of the health authority. If facilities are not provided in accordance with this rule, a sign shall be posted at main entrance notifying campers of what facilities are/are not available.
